

YOU ARE INVITED!

HELP US PLAN YOUR FUTURE GARBAGE AND RECYCLING SERVICES

The City of Austin invites you to a public meeting to learn about the **Integrated Solid Waste Management Master Plan (ISWMP)**. This is a 50-year plan that identifies specific buildings, equipment, and finances needed to help us significantly reduce our dependence on landfills.

The Master Plan is already underway. So far, we have reviewed private sector services in the City, other governmental programs and facilities, as well as partnership examples and competition issues. **We would like to update you and get your feedback.** Topics include:

- Improving local markets for recycled materials, and regulating service providers
- Partnerships with the private sector
- Regional Cooperation and partnerships
- Opportunities for the future

PLEASE JOIN US FOR A PUBLIC MEETING ON:

TUESDAY, AUGUST 31, 2010 @ 6 pm

**AUSTIN CITY HALL COUNCIL CHAMBERS
301 W. SECOND STREET
AUSTIN, TEXAS 78701**
